FACULTY

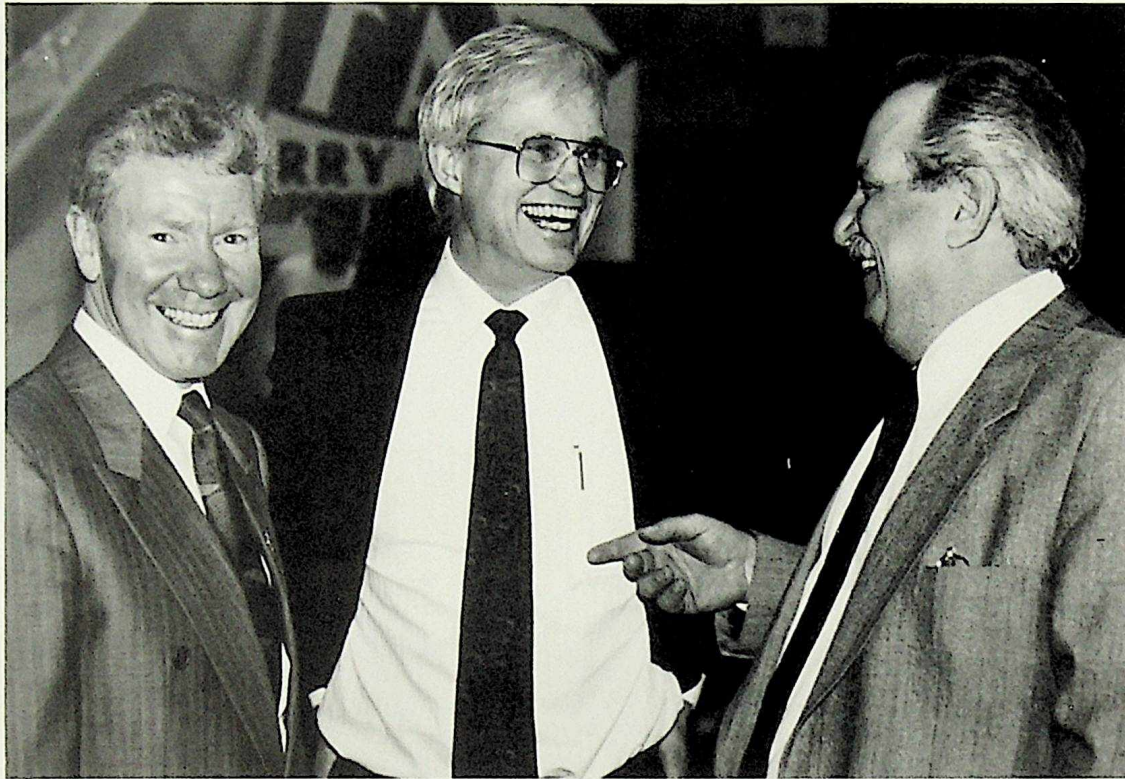

PRINCIPAL'S MESSAGE

The achievements of Harry Ainlay students during 1990-91 are truly impressive. These young people have brought distinction to themselves, their parents and our school through their diligence, creativity and ability.

It is always a great pleasure for me to witness the legion of outstanding achievements of our student body. Each year our students seem to surpass the accomplishments of their predecessors. The tradition of excellence established throughout the twenty-five year history of Harry Ainlay is alive and well in 1991. Indeed, if the accomplishments of the grades 10, 11, and 12 students are indicative of the next twenty-five years, we are well on our way to another quarter century of excellence.

You represent a student body which is without compare in our city, our province and our nation. You truly exemplify Titan pride and I am confident that you will be the cornerstones of the future.

GRAD COUNCIL 1990-1991

The graduation council had a very fine yet busy year. Each week the executive met on Tuesday with council meetings on Wednesdays. The council raised money for the 25th graduating class with such fund raisers as selling boxer shorts, pizza, Texas donuts, Coke, peanuts, cinnamon buns, raffling a walkman, a sponge throw contest as well as working the coat check at dances. Other activities which the council was involved in were the annual fashion show, grad photos and many hours on poster making. It has been a year of responsibility and hard work and could not have been done without the guidance of Mr. Bursey, Mrs. Baker and Mr. Wynn. Our thanks for your time and for putting up with us.

As high school draws to a close, we are all faced with enormous decisions and responsibilities regarding our future. Through years of education, we emerge with talents, skills and knowledge ideally sculpted for the "Real World". We take pride in what we are and more importantly in what we will become.

I would like to extend my thanks to the people who have made this year's Graduation Ceremonies a success, and to those who have made my three years at Harry Ainlay unforgettable. A special thank-you to Mr. Wynn, Mrs. Baker, and Mr. Bursey for the leadership they have shown and taught us as well. They have guided us through the planning and production of this Grand Event. Everyone involved has learned and grown from the experience.

I wish the best of luck to the members of the graduating class of 1991 and remember:

"Focus on the dreams we'll follow,
The struggles we'll face,
The memories we'll swallow".

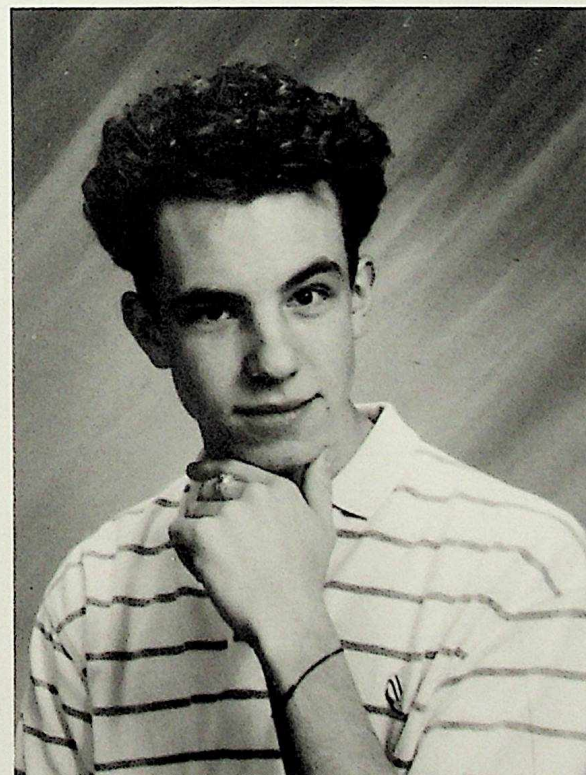

Jeff Popiel

"For they can conquer who believe they can".

BEST OF LUCK!

VALEDICTORIAN

Ladies and Gentlemen, honored guests and fellow Titans,

Good Evening.

Well, we have finally done it. We the class of 1991 graduate tonight and we mark the culmination of one phase of our lives with the commencement of another. We came here tonight with a strong sense of pride, of accomplishment and of finality. Finally, after 3 long years, we have reached the top of the hill. We have overcome personal obstacles, defeated adversaries and rectified problems in order to stand for a brief moment at the top. Behind us, we can see the valleys and gulches that have already been crossed. And we can look confidently ahead to the mountains of the future for which we have been well prepared to climb.

Harry Ainlay has been more than an institution of learning. It has served as a meeting place, a reunion hall and a home for one of the biggest families in Canada. The Ainlay experience helped to shatter loneliness and fear and build lasting friendships, as well as strong self-confidence and determination. Pause for a moment to think of your closest friends, the special teachers and the families that have contributed to the exhilaration and the joy that we are experiencing tonight. The environment at Ainlay was one conducive to succeeding, to meeting and surpassing one's goals and to reaching levels that were once thought impossible. Every one of us has been part of the family at Ainlay, part of the team of climbers reaching for the highest peak, and part of the safety net protecting the other Titans from the fear of failure.

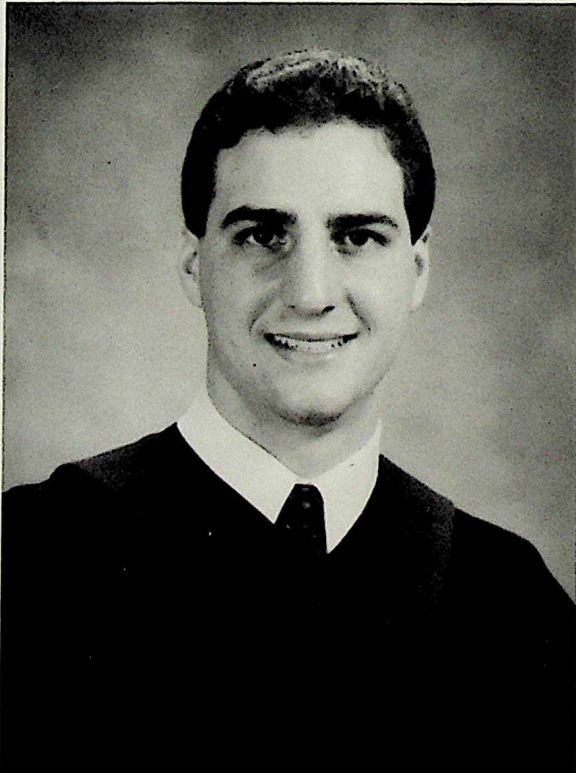

25 years ago, in 1967, the first principal of Harry Ainlay, a Mr. Stanley Deane, told his students that they had the responsibility to set a positive tone and establish worthwhile standards for the future generations of Titans. We have carried on this tradition of excellence, this outstanding achievement and are now ready to pass the torch to the next group of students so that they too might learn from our example and reinforce our feelings of pride and jubilation.

It is with some sadness that we are going to leave high school, choosing different routes to follow, different paths to achieve a variety of goals, goals that have become more and more apparent as graduation has approached. Graduation is a period of renewal, of new growth and of life, just like the plants that surround the stage. It is symbolic of the fact that we have the experience and the knowledge to pursue our dreams and chase our hopes independent of the actions of others. We have reached the point of personal choice and as we walk across the stage to receive our diplomas, we are receiving a key. This is the key to the doors, the doors of tomorrow, the doors that lead to our visions. Graduation is a new beginning, a beginning where we are all started equally on the road to success with the tools of education and of social interaction at our disposal.

It is on the shoulders of our generation that falls the principal responsibility of the future. We must now rush out to take control of the problems that face the world, the destruction of the environment, the outbreak of war and the starvation and oppression of the millions of underprivileged. We have been better informed and better prepared than any other generation and the responsibility to solve such difficulties has thus been thrust upon us. I challenge every one of us to get up, to let our talents and abilities be ignited by the passion of our young emotions and to work together to make a difference, to change. It is not enough for us to sit back and let the world mold us for we must stand up and help mold the world. It is not with a futile plea for help that I make this challenge, but with a strong feeling of potential, for I can look into the multitude of fellow graduates and sense that each and every one of you feels and believes strongly enough to make a change. Each of us will follow a different path, but hopefully these will unite in a common universal goal.

Life can be represented as a series of hills, growing increasingly larger and more treacherous and stretching to infinity. Tonight, we can pause at the top of the first hill and reflect upon our trek, for come tomorrow, the next stage will have already presented itself. I would like to thank all those teachers and parents and friends that have led, driven, and pushed us so that we could be here tonight, as well as those who have provided us with the opportunity to excel in the areas of arts and athletics. I would like to wish every one of my fellow Titans good luck and best wishes in the future. May you receive the recognition and the position that you deserve, may your lives be filled with success, and may you never learn to accept your failures. Finally, may your desire to attain higher goals never fail and may you always retain your dreams.

Thank You.

(Come out on stage tied in rope.)

J-Hi, how ya doin? Hey ... whoa there are a lot of you out there You know what I'm thinking?
(everyone squishes heads)

J-Tension breaker. Had to be done.

M-Yeah, well, these speeches are pretty new to us.

E-We're not like Mr. Nicholson.

M-You know the old pro ...

J-Yeah, the master of disaster ...

E-The king of sting.

J-I really admired his speeches ... or at least what I understood of them.

M-Well, in high school, there are a lot of things you don't understand.

J-Like fads, they were so confusing.

E-By the time you think you're in ... you're already out.

J-Long hair and ethnic clothing were down to Earth ...

M-And Doc Marten shoes replaced ancient sandals and elevator shoes.

J-Wearing overalls with one strap or none at all were most attractive.

E-Black guys having 3-foot tower high hair.

J-Alternative became trendy and trendy was out.

E-The best though was the amazing combo of Fabutan, leather jackets, and suits which brought on.

J&M-The golden boys!

E-Yes. Harry Ainlay's own golden boys paraded around our school with stylish hairdos and fried faces.

J-With attitudes sleeker than their hair and bigger than their shoulder pads.

M-Speaking of big, remember that feeling when you first came to Ainlay?

E-Yeah the beginning of high school; the beginning of Grade 10.

J-We got out of junior high and into one of the biggest and most confusing high schools in the world. No windows and every hallway looks the same.

Our heating system allowed us to freeze in the summer and freeze again in the winter, with the occasional roasting in between.

M-Well aside from all of that, it was a great year.

E&J-NOT!

M-What do you mean "NOT!"

J-There were no more teeny-boppers and Mariposa clothing ...

M-Well, I guess not. (points)

E-But hey, there were guys everywhere ...

J-Picture this - wandering through the halls, destination unknown and bumping into a Greek Adonis. Six feet of masculine flesh and him saying ... "Sorry" ...

E&M-Ooh!

J-Well ...

E-Give us a minute ... It was never like that. In Grade Ten, we were millions of lost souls, fearing humiliation and ridicule. While the veterans moved from Point A to Point B with nothing standing in their way.

(people ignoring us)

J-Excuse me, excuse me ...

M-Point of interest. Those stupid pink maps that you got at registration ...

E-That you secretly kept hidden in the front of your books ...

J-And which some of you still have crammed up in the top of your lockers.

M-They were no help at all.

E-What were A, B, C, and D? And what were we supposed to do with them?

M-So on Day One ... (crumples and tosses paper)

J-But you must admit we were exposed to new and exciting options ...

E-Welding ...

M-Really, we had that ...

J-Yeah, I passed by there once.

E-Beauty Culture ...

M-I took that.

E-You did?

J-Macroeconomics ...

E-What is that?

M-Drama ...

J-I did that stuff.

E-Looked like fun, sitting in a tiny corner amongst a clutter of wood.

M-Car Care ...

J-A great way to pick up guys.

M-Science 14 ...

E-Hmmmm (scratches head)

M-And Law ...

E-In more ways than one.

J-Yeah, especially at dances. How many cops did we have there? Did the entire Edmonton Police Force attend or what?

M-Dances in the rotunda. The rotunda itself was the ninth wonder of the world ... right after the Caramilk Secret.

E-The rotunda did have many uses:

M-scoping

J-(looking for some action)

E-scanning

M-(trying to find a familiar face in the crowd)

J-skipping classes

E-(Rotunda 20 is a popular choice)

M-scowling

J-(Gawd, what is she wearing)

E-sweeping

M-smelling

E-(nice stink bombs guys)

M-seeing, sulking

J-(No wait, that was reserved for the bathrooms for the newly dumped)

E-and of course ... spewing chunks.

J-Yeah after spending an hour in the cement haven you were afflicted by "ROTUNDA BUTT".

E-It always seemed numb and kinda damp.

M-But by the time you got to grade 11, it didn't matter anymore.

HISTORIANS

E-It was a small price to pay to look cool.
 J-All of you wanted to fit in, but there were so many groups to choose from.
 M-What a dilemma ... (pause)
 (go into rhyme)
 J-All right stop. Let's start from the top.
 E-Ainlay's social cliques are the cream of the crop.
 We have many cool preppies dressed to a tee.
 J-And the hippy people who are really artsy.
 M-We do have some snobs, I'm sure just a few.
 E-Oh, there you are. You, you, and ... you.
 J-We have top rated athletes, from sports all sorts.
 E-Looking real good in their short shorts.
 M-Football
 E-Volleyball
 M-and basketball too
 E-Badminton and swimming complete our crew.
 J-On to the scholars mainly I.B.
 E-You can always find them in the library.
 J-We got the hacki sack boys taking up space
 Leaving no room for that ping pong place
 E-Skaters and funkies with styles their own
 J-Making statements which to us are unknown
 E-A dance generation is coming our way
 J-Doing weird moves, dare we say.
 M-Did we have anyone out?
 J-Oh yeah, one more group ... Christopher Kyncl. (pause)
 M-Who's that? (pause)
 J-Exactly.
 E-But we digress ...
 J-Kinda like Prufrock, eh?
 M-Oh, are you guys talking about school? (whine)
 J-Who here remembers the quadratic formula?
 (Eva raises hand, Janice hits her)
 E-Well, you never know when you might need it.
 J-Yeah, like I need to know how to dissect a pig.
 E-Or how about those French classes ... I guess we were never there, eh?
 M-You were probably too busy pursuing other school activities.
 J-Harry Ainlay offered many clubs and activities to its 2500 citizens.
 M-A city within a city.
 E-As time passed on however, you noticed that ...
 M-There were some things that just ticked you off ...
 (Burst into song "Least Favorite Things" - Maria takes out triangle)
 E-The bus pass lines that just went on for miles.
 J-People all dressed up in real cool styles
 E-Freddy Melnychuk in the library
 J-He was so big and so loud and quite scary
 E-Guys in cheerleader suits look like drag queens
 ALL-These are a few of our least favorite things
 (MUSICAL BREAK)
 M-The Difference
 E-The Debate Club
 ALL-Amnesty International
 E-Math Club and Pottery
 J-And the Yearbook
 ALL-And we can't forget: the band
 E-Oh, and by the way, those talented Curling Cheerleaders that we always hear
 about in Tumblenotes ...
 M-Do they exist?
 J-Have you ever seen them?
 E-From the not-so-serious to the oh-so-serious, we have ...
 M-the environment, or the lack thereof ...
 J-The collapse of the Berlin Wall, a new essay topic for your Social class.
 E-And of course, finding a place to park your cars.
 J-Yeah, how many of you got parking tickets or had your car towed?
 M-Our friendly neighbors across the street weren't very sympathetic to our problem.
 E-Problems you thought would go away ...
 J-But when you came back into Grade 12 ...
 M-When you thought you were on top of the world ...

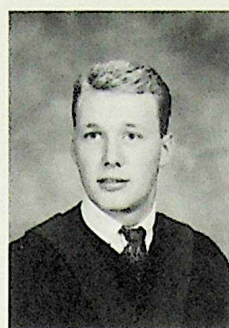

J-They came back with reinforcements.
 E-The New Kids on the Block era had returned with their own cartoon show ...
 Great.
 J-When Milli Vanilli wasn't Milli or Vanilli at all.
 M-When Bart Simpson said "Don't have a cow, man."
 E-And when controlling your alcohol intake became second nature.
 ALL-Right.
 J-Funny how you thought that you felt "just fine" but still couldn't remember what
 had happened in the last six hours.
 J-Yeah, but it wasn't funny when the support staff went on strike.
 J-We couldn't get any food.
 E-And we couldn't get our marks.
 M-After careful calculations, we've been able to tally your marks.
 J-May we have the envelope, please. Results are: David Sykes passed. The rest of
 you, you've all failed. So that's it. Go home. Thanks for trying. See you all next year.
 (Pretend to walk off)
 E-Oh, while we're here, we may as well stay and finish up.
 M-So, where were we?
 J-About the strike ...
 E-Our scuba club had a chance to demonstrate their remarkable underwater rescue
 techniques on Slev's Bio class.
 M-Bio North-west to be exact.
 J-But the flooding was only the beginning.
 E-Yeah, we were so hyped that we:
 M-littered hallways
 J-had lockers decorated with food
 E-and some unidentifiable type of feces were found down the English hallway.
 M-In English, it means dog crap.
 J-But hey, we have many things to be proud of.
 E-Winners at our own TVT and Tri-Prov.
 M-First time provincial champions in basketball.
 J-So proud in fact, that administration even installed lawn furniture and fans to
 enhance our barren rotunda.
 E-It's so blue, so spring ... so tacky!
 M-School spirit at its best.
 J-Our Grade 12 year also witnessed harsher events from across the world.
 E-Thanks to CNN's play by play by the hour, we were able to catch censored
 glimpses of the Gulf War.
 M-And this did not go unnoticed.
 E-Our fearless SU leader, Eehab Taliani masterminded a brutal training camp for
 his soldiers, otherwise known as ...
 J&M-The Battle Royale!
 E-Feats of strength, agility and balance plagued these wanna-be-heroes.
 J-Heroes-in-a-half-shell.
 M-Turtle power?
 J-Yeah. They face many obstacles, plights, and challenges.
 E-We will all have to face these challenges, though not the same ones as those rep-
 tilian cool dudes.
 M-Some of us will go on to university.
 J-some of us will come back for a fourth ... or fifth year.
 E-and some of us will just bum around for awhile.
 J-But seriously folks, we've had a pretty fulfilling three years.
 M-We've loved.
 E-We've laughed.
 J-We've learned ... despite all of those homemade spares.
 E-Bear in mind all of those words of wisdom given to you by your teachers,
 friends, and family.
 M-Those words build the foundations of your future.
 J-So as we bask in the diminishing sunlight of our final year ...
 E-Remember: Scona sucks and always will.
 M-And Ainlay is spelled with an "A", not an "E".
 J-So break free and go your way.
 M-To the 25th graduating class ...
 J-Live long and prosper.
 E-Best of luck to you all.
 ALL-Good night!

FOOTBALL

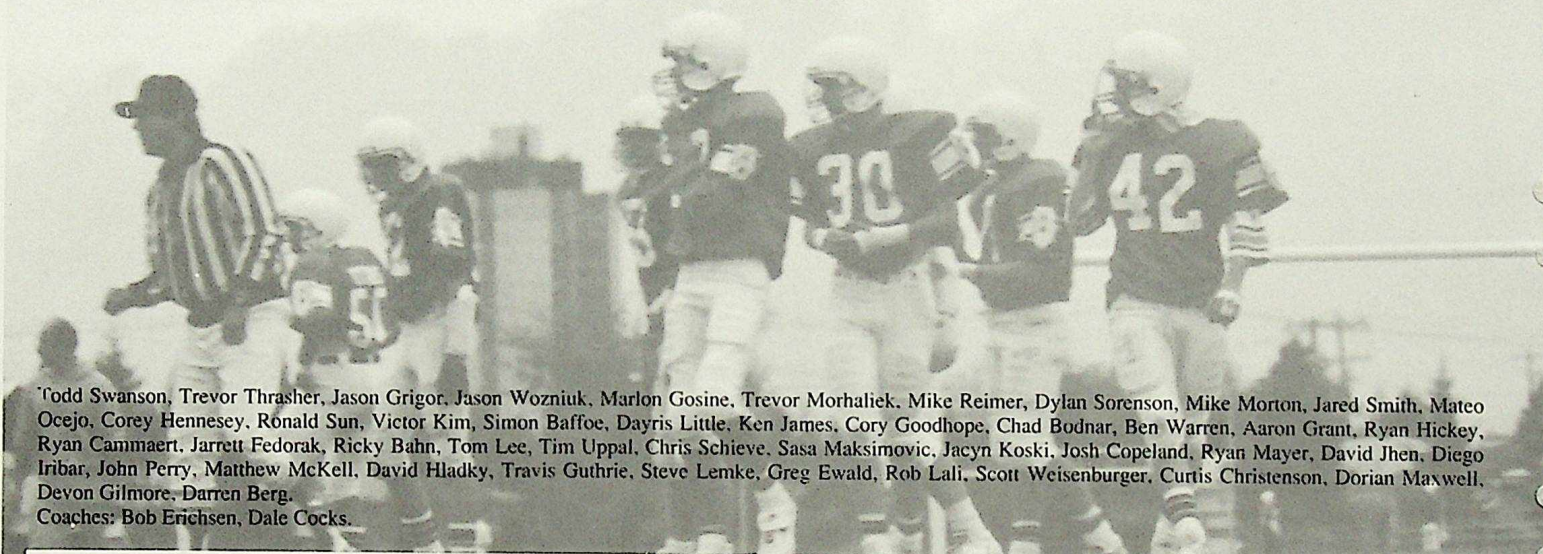

The Sr. Boys had an excellent regular season record this year (6-0). They had a strong running offence, and hard working defence, which enabled them to win the City Championship 30-29 in the City Semifinals. They then went on to the State Championship game, which was an outstanding game for players and fans alike. Unfortunately they lost 16-6 to M.E. Lazert.

JUNIOR FOOTBALL

The Jr. Boys had a great 90/91 regular season record (5-1) and defeated Jasper Place 26-13 in the City Semifinals. Unfortunately lost the Final 34-7, however, Corey Hennesey was the M.V.P. in city Jr. Football.

SR. BOYS' VOLLEYBALL

TITANS
VOLLEYBALL

HOME FENALTY VISITOR
PERIOD

Season record: 55-5 win - loss record in matches.

Finished first in league play. Both city and provincial finalists.

Tournaments:

Gold Medal - SAIT "Autumn Invitational"

Gold Medal - UofA Tournament

Gold Medal - TVT '90

Silver Medal - Earl Marriot "Sancastlle Classic" (Whiterock, B.C.) (Lost in final to California Club team)

Gold Medal - Salisbury Invitational

This year was clearly one of the most successful seasons ever - except for losing city finals to Scona (who we then crushed in Provincials) and also losing the Provincial final to Crescent Heights from Calgary - a team we beat in the round robin and two tournaments.

Kris Geekie, Jon Jarvis, Shemas Lindsay, Doug Bruce, Brian Traub, Sean Smith, Jeff Reinprecht, Steve Clelland, Trevor Vegh, Brian Campbell, Ryan Everitt, Andre Tricoteux, Scott Witbeck, Sean Chernesky.
Coaches: Mr. Lerbekmo, Mr. Olsen.
Managers: Tars Sommerfeld, Maria Fikkert.

SR. GIRLS' VOLLEYBALL

After starting the season with only two returning players the titans proved to be a real contender for the city title. The Girls played in four of the best tournaments in Western Canada and improved with each one. After struggling in TVT, the Titans rebounded well at tournaments in Vancouver and St. Albert.

Much to the teams surprise the Titans fell to the Jasper Place Rebels in the quarterfinal.

Congratulations to all on a great season.

Lauren Whitaker, Gail Driscoll, Cindy Campbell, Holly Hawryschuk, Paula Fohr, Sarah Hilton, Anne Kay, Kristen Smith, Susan Wilkins, Vicki Goodwin, Shawna Wood, Karli Anderson.
Coaches: Pat Baker, Travis Lamb, Barb Leskow, Julie Scarlett.

JR. BOYS' VOLLEYBALL

The Jr. Boys' Volleyball Team enjoyed a very successful season. The team participated in tournaments in Calgary (Western Canada), Red Deer (Lindsay Thurber) and Edmonton (Titan Classic). The boys had experienced silver medal finishes in Calgary and Edmonton. The final tournament, at Lindsay Thurber, resulted in a gold medal for the team. After finishing second in league play, the Jr. Titans defeated McNally in the play-offs. The city championship match had the Titans against the arch rival Strathcona Lords. In the final, the Titans lost the first two games but showed their character by winning the last three to regain the gold medal for 1990. Congratulations gentlemen.

Manager/Statistician: Fauzia Mohamed.

The Jr. Girls started the season with only one returning player - Chris Park and thirteen new players.

The first tournament was hosted by Western Canada in Calgary where the Titans won the Gold Medal. Salisbury's tournament was a silver victory for the team. The team's success continued with winning the gold at their own Junior Classic.

The team placed second in the league, as they moved towards the final against McNally. Through hard work, determination and skill the team reached their ultimate goal of winning Premiers.

Congratulations to all fifteen members on their success - "TOGETHER WE CAN DO IT AND WE DID."

SR. BOYS' BASKETBALL

The Senior Boys started the season ranked number one in the Province. They went on to win the Edmonton Pre-Season Tournament. And the Bedford Rd. Invitational Tournament. And the Raymond Sugar Bowl. And the MEI Invitational in Clearbrooke B.C. And Ainlay's own Tri-Prov. Tournament. And won the Public School City Championships. And they beat Bev Facey 106-50 in the Public-Metro crossover game. They then went on to win the Provincial Championships! An amazing accomplishment.

This was a very team oriented season led by forward Kevin Moser and guard Tally Sweiss.

 Coach: Rob Poole.

SR. GIRLS' BASKETBALL

The Senior Girls had a roller coaster season beginning with a championship in the Walter Murray Classic in Saskatoon. But, at times they struggled. The girls' best game was a Tri-Prov semi-final against the eventual champs, the Belmont Tomahawks from Victoria. Every player played to the limit of their ability leaving the coaches, players and fans proud of their effort. The team lost in the city semi-finals to McNally.

JR. BOYS' "GREYS" BASKETBALL

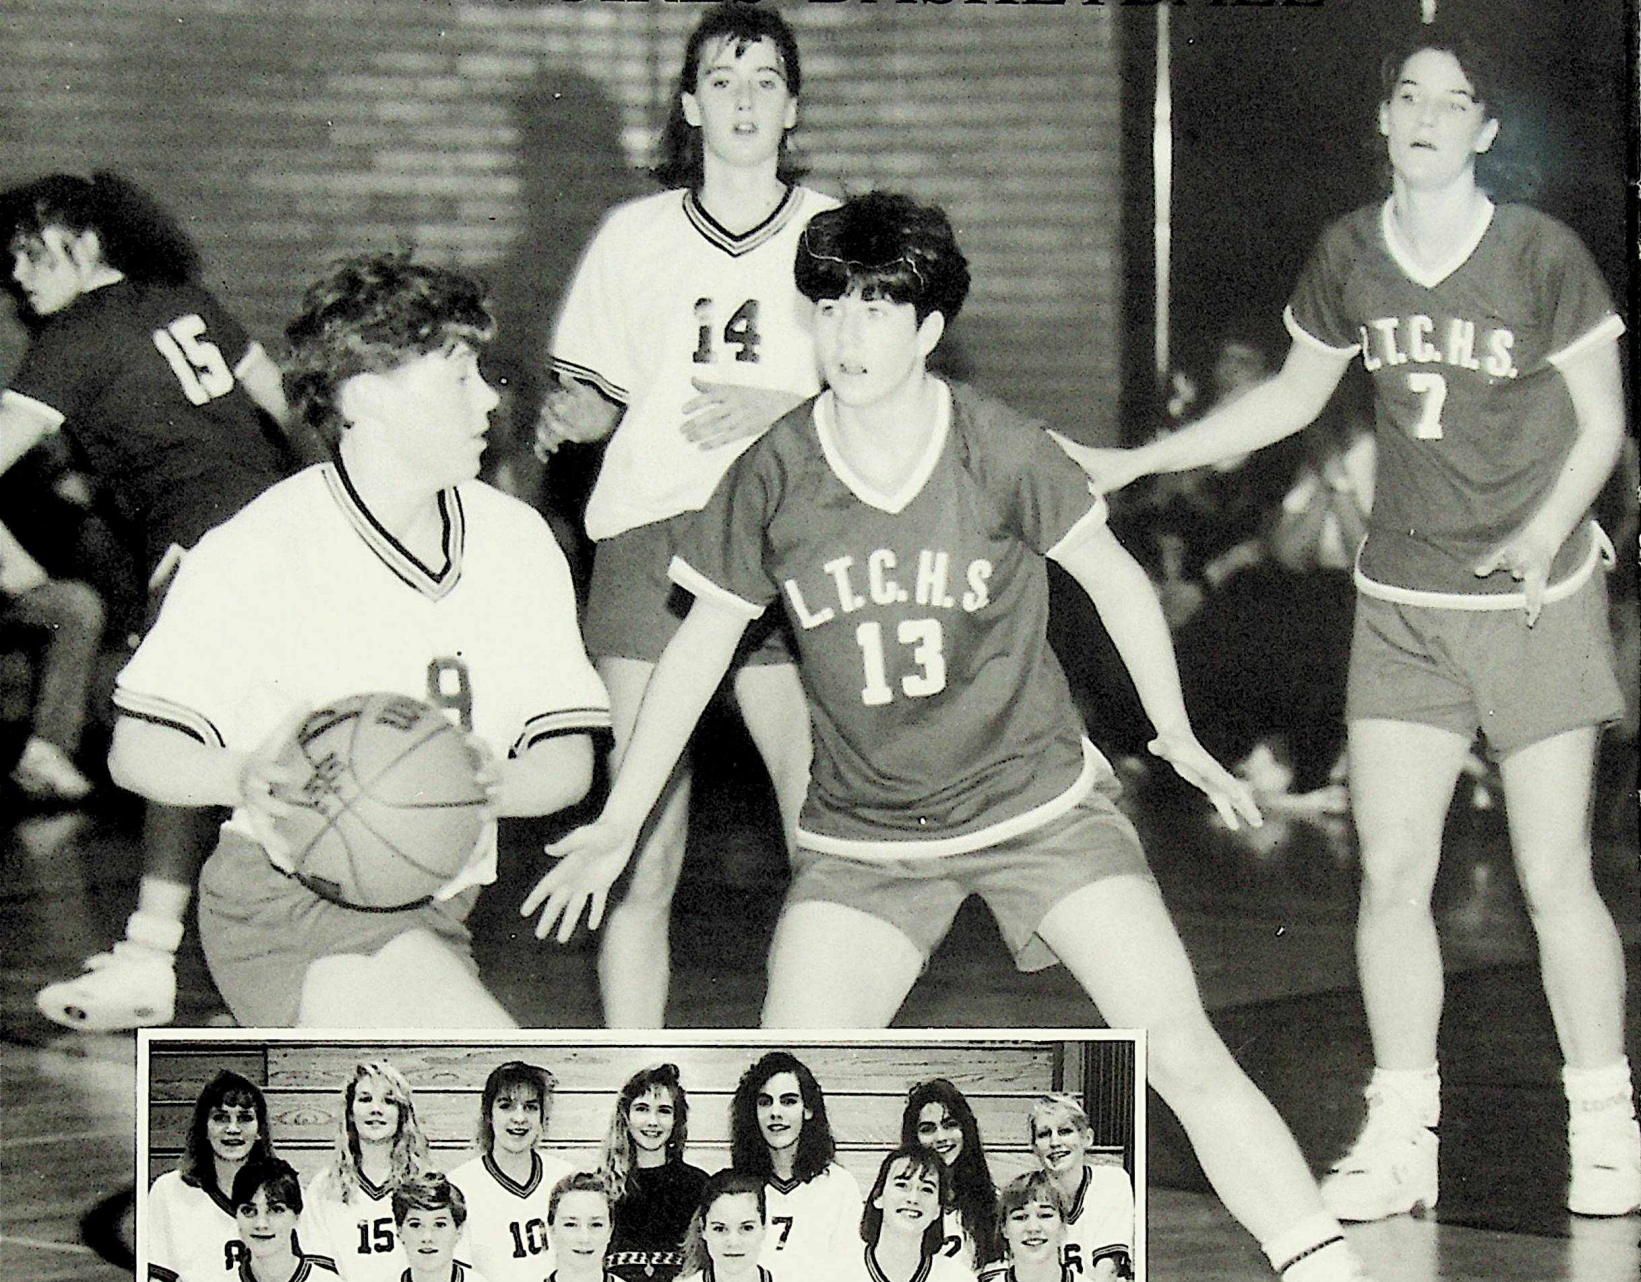

Junior Boys' Greys

Ainlay had a large number of talented basketball players in the school this year. The decision to have two junior boys' teams was apparently a good one. The Ainlay Greys finished in second place with a record of 12-1. The 1991 Edmonton City Final featured the Ainlay Blues vs. the Ainlay Greys where the Blues won.

CLUBS

PRESIDENT'S MESSAGE

In the beginning of the year, the Students' Union set certain goals to make Harry Ainlay a cheerful place to be. The most important goal was to increase school spirit. We set forth to pursue our goal by coordinating a mosaic of student activities. We consider the activities to be a success. They are a terrific element for bonding the students together. For the entire year our hallways converged in harmony and happiness.

The success of the school year is not solely based on the organizational skills of the Students' Union. The student body of Harry Ainlay deserves all the credit for creating a comfortable atmosphere in the school. They approached all aspects and criteria of the school with true enthusiasm. All negativity common in most high schools is overshadowed by the open minds of Harry Ainlay students.

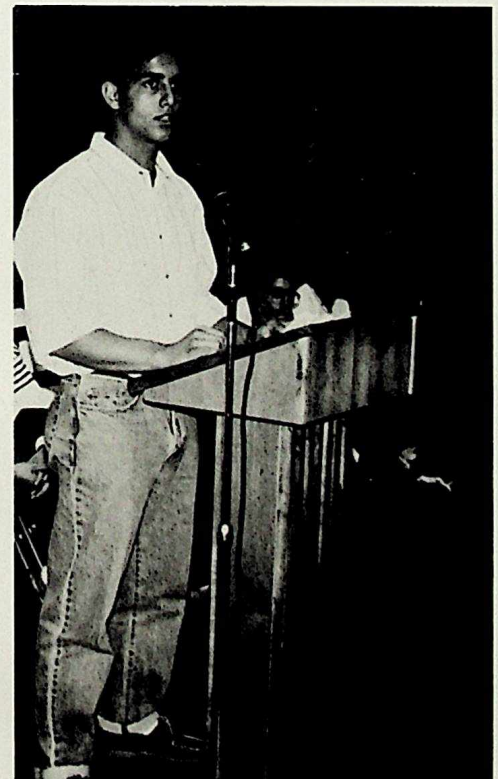

The students of Harry Ainlay are true bearers of the name TITANS. Our academic, athletic, and fine arts programs excelled beyond belief. Harry Ainlay is a school of champions. No single high school in western Canada can match our

excellence. We have students who rank in the top 1% in Alberta for academics. Our athletic teams obliterated their competition and captured more championships than any other high school in the city. In the fine arts, our drama, art, and music programs put on exceptional displays of talent. All these combined define TITAN PRIDE.

In closing, it was my pleasure to be the Students' Union president for 1990-91, and the 25th anniversary of our school. I am proud to be a TITAN. I will cherish and remember my high school experience forever. I salute all my friends and students at Harry Ainlay. May all your wishes and dreams come true.

Yours Very Truly,

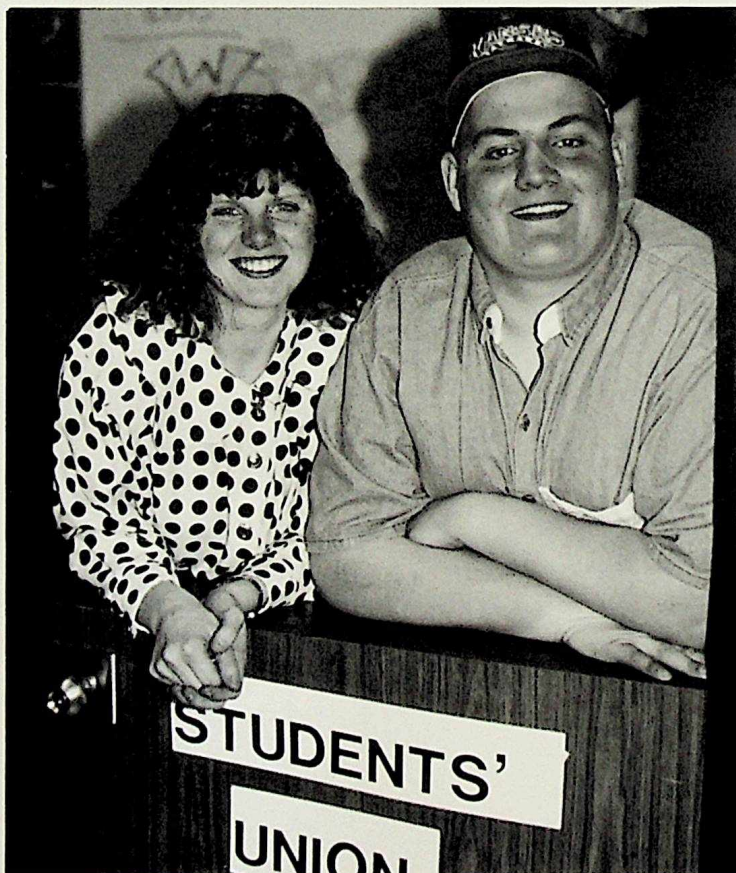

Lehab Jalani

Back in May of 1990, right after the SU Executive was elected, we came up with one basic goal for the 1990-91 year. This goal was, quite simply, to increase Titan pride. The focus of all of our policies, plans and activities were directly related to this common goal. It is our belief that we "got the ball rolling" with regards to Titan participation. Our goal was not accomplished to the extent that we had originally hoped for, and it is now up to the new SU to pick up where we left off. On the whole, 1990-91 was a great year for Ainlay, with excellent TVT and Tri-Prov tournaments, many athletic championships (city and provincial), excellent academic recognition, and great student participation. The SU would like to express gratitude to the student body of Ainlay for their ongoing support and participation. It is important to remember that each and every student is equally as vital to the excellence at Ainlay as the "student leaders" are. Although we may be the ones who go to leadership conferences and plan the activities, it is you who must participate in the many activities. We look forward to working with all of you next year, as we attempt to make Ainlay's 25th Anniversary the best ever. Remember, together Titans are better.

ACTIVITY COUNCIL

Activities such as spirit week were plans of the activity council.

Now that the 1990-91 school year is over it is time to reflect back upon what was accomplished by Activity Council over the past ten months. The six dances held throughout the year were all interesting and enjoyable experiences for those who attended, especially the "Much Music Video Dance Party" held in September. 1990-91 was a year full of well-organized events with high student participation. From the excellent food at the Grade 10 barbecue to the hilarious costumes at Halloween, from the Mr. and Mrs. Legs Contest to the laughs at the Dating Game and all the way to the fast-paced action of the Rotunda Battle Royale and the Robotic Boxing, it can be concluded that 1990-91 was a truly great year for spirit this past year by participating in all activities.

PUBLICITY CLUB AND ATHLETIC BOARD

PUBLICITY CLUB

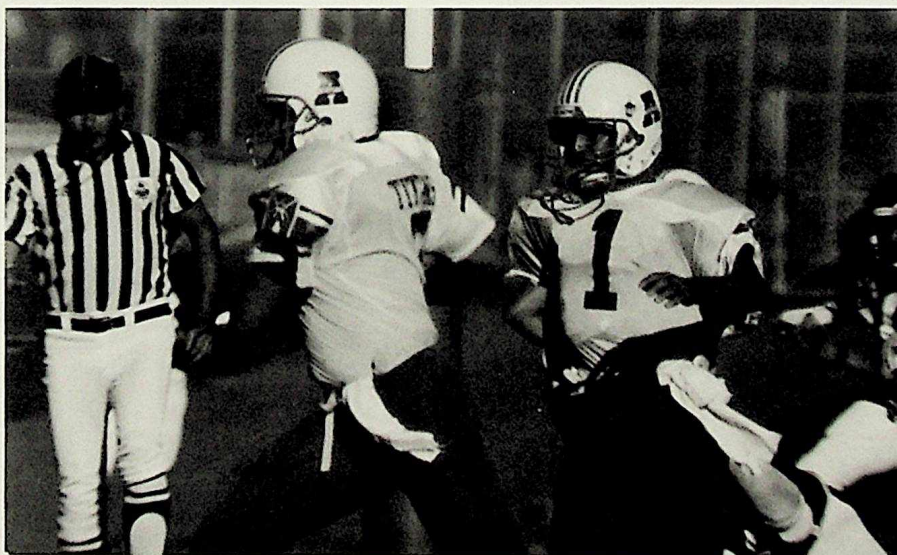

The Publicity Council meets once a month and works to make Ainlay more aware of the various activities going on in the school. This is usually done in the form of posters, although input for announcements and the rotunda's textlight are also discussed. The "Pub Club", as it is fondly called, has put a lot of effort into publicizing this year's Student Union Activities and the following members are recognized for all of their impressive work: Mimi Liu, Geoff Zbitnew, Liane Erickson, Alison Hrynyk, Sundeep Sidhu, Olivia Tsai, Fauzia Mohamed, Michael Rudnicki, Craig Maynes, Julie Goo, John Nychka, Tamara Hartson, Arda Ozum.

ATHLETIC BOARD

The Athletic Board's goal is to relay messages between the student body and athletic teams. We also organize sporting events like the Eskimo vs Senior Basketball team, tournaments between the volleyball teams, and athletic barbeque.

MEMORIAL

Kerri Chambers

Kerri will be remembered by all who have known her joy, laughter and innocence. In the time she walked among us she gave a sense of belonging to the staff and student population. With her tragic death we all, at Harry Ainlay mourn her loss as a fellow and friend. We miss you Kerri.

THE MATHEMATICS CLUB

The Mathematics Club had another very successful year in competition against other high schools in Alberta and across Canada. Here are the highlights of our year:

CANADIAN NATIONAL MATHEMATICS LEAGUE

This competition consists of a series of six half hour contests that are held over the winter. For each contest, the top 5 individual scores count for the school's team total. The Harry Ainlay team had a super year, winning the plaque for the top school in the Alberta region and finishing 10th in all of Canada. While the team changed from one contest to the next, making major contributions were William Lee, Charles Cruden, Ning Wu, Ruma Chakravorty, and Limai Zou.

THE ALBERTA HIGH SCHOOL MATHEMATICS COMPETITION

This competition consists of two rounds with the top scores in the 1st round qualifying for the 2nd round. In round 1, the Harry Ainlay team consisting of William Lee, Patrick Chan, and Simon Wong, finished 3rd in the province. Individually, William Lee finished in a tie for 6th in the province and tied for 1st in the Edmonton Zone. Other students making the Honours List were Patrick Chan, Simon Wong, Limai Zou, Mark Cahoon, Ning Wu, Samuel Sia, Yanning Li, Erwin Li, and Candy Pang.

In all, 14 student from Harry Ainlay qualified for the 2nd round of the competition, and these students produced some outstanding results. Finishing 1st overall in the competition was Charles Cruden who was awarded the Nickle Family Foundation Fellowship (\$500). Charles was followed closely by William Lee who finished 2nd and received the Peter H. Denham Memorial Fellowship (\$250). It is rare that two students from the same school capture the top two positions in this competition, and this is the first time in recent memory that a student from Harry Ainlay has won the competition. In addition to these outstanding performances, Simon Wong and Ning Wu did exceptionally well with Simon finishing 5th, and Ning, a grade 11 student, finishing 16th.

As a result of their performances in this competition, all 4 students were invited to participate in the Canadian Mathematics Olympiad in April. The results are unavailable at this time.

THE CANADIAN MATHEMATICS COMPETITION

In this Canada wide competition, students compete against other students at each grade level. Prizes are awarded at the school, zone, provincial, and county level.

THE CAYLEY CONTEST FOR GRADE 10 STUDENTS

The Harry Ainlay team, consisting of the top 3 individual scores, placed 11th in the province. The top individual performances were by Samuel Sia who tied for 16th, Ted Kouri who tied for 50th, and Kevin Tang who finished 56th out of 768 students in the province who wrote the contest.

THE FERMAT CONTEST FOR GRADE 11 STUDENTS

The Harry Ainlay team placed 5th in Alberta. The team consisted of Mark Cahoon who was 20th, Darwin Li who tied for 22nd, and Andrew Tack who finished 25th out of 525 students in the province who wrote the contest. In addition, the following students made the Honours List (top 65): Danny Chen, Sean Henderson, Sameet Koppikar, Renuca Modi, Patrick Chan, Paul Chan, and Jim Hawreliak.

THE EUCLID CONTEST FOR GRADE 12 STUDENTS

The results for this competition are not available at this time.

The Harry Ainlay Mountain Bike Crew is about alternatives, may it be athletic, environmental, or perhaps a different attitude. We allow the Harry Ainlay students to experience another dimension of athletics by breaking away from the cliché team sports to an expression of individuality. Persons involved in our rides showed a powerful concern for our environment, though the H.A.M.B. Crew is about having a good time.

The Titanic was a great success this year. We managed to put out 3 issues and we look forward to increasing that number to 4 next year. Most members would agree that the weekly meetings were amusing and eventful although at times very little was achieved. Every now and then there were more non-members than members (mostly from the yearbook) at our meetings. Thank-you to all of them for making us feel more important.

ROLE PLAYING GAMES

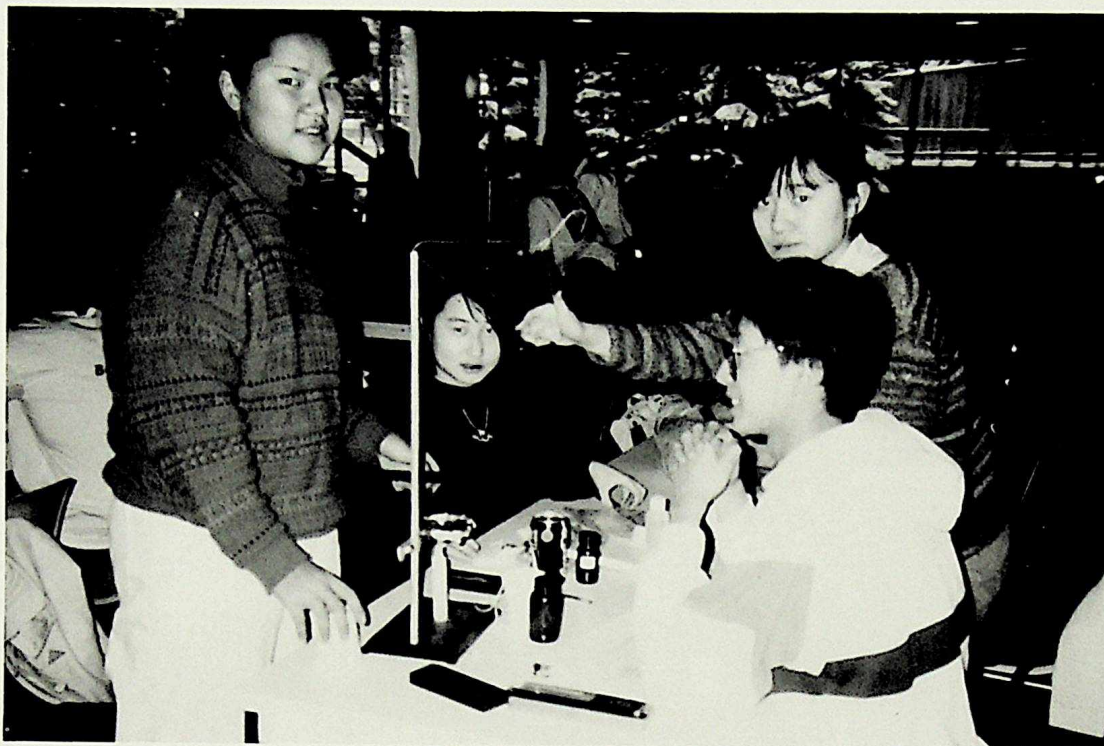

The Role Playing Games Club provides services to students who possess an interest in "role playing" games. Games of this type include Dungeon and Dragons, Advanced Dungeons and Dragons, Robtech, Battletech and Paranoia. The main service the club provides is a room to play these games over the lunch hour. The room is open and available for us by gamers five days a week. The other activities the Role Playing Games Club are involved with are role playing tournaments. This year the club has already hosted one and plans to host a second Advanced Dungeons and Dragons tournament. The club has also participated in a tournament. Under the name of "The Graduates of the Kamikaze School of Combat Philosophie" the team representing Harry Ainlay at the University of Alberta's TOURNAMENT IN FLAME finished third out of seventeen teams.

Throughout the year more than three dozen students at sometime have used the room provided by the Role Playing Games Club. However the club has a core membership consisting of only six persons.

The following is a list of the six regular members of the Role Playing Games Club. These six also comprise the team which finished third in the University of Alberta tournament.

PEER SUPPORT

Harry Ainlay's first peer support team consisted of over twenty enthusiastic and dedicated members. Early in the year, they trained weekly in order to learn better ways to help their peers. Following the training sessions, they began making plans for the future of the team. Some activities were bake sales, assisting with multi-media presentations, and the junior high orientations. Next year's team promises to be even stronger with many new members to continue supporting our school.

ENVIRONMENT CLUB & THE DIFF.

ENVIRONMENT CLUB

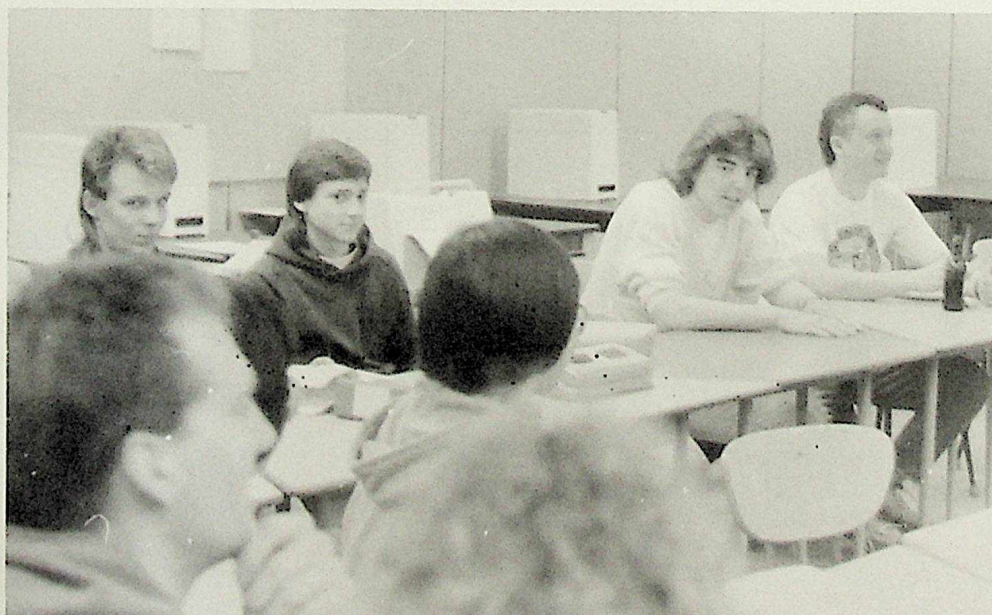

Among our achievements this year are the establishment of recycling programs for paper, plastic, aluminum, and glass. We participated in the Visions Qozo program, a network of students across Canada, voicing their hopes for their environment in the year 2020. Our billboard displayed information on topics ranging from destruction of the Amazon Rainforest to forestry in our own province. S.A.V.E. tour, a group of environmentally concerned post secondary students, made a brief but interesting presentation on the state of the environment in Canada and the world, and what we can do to protect the environment. Our activities for the year culminated with a bake sale and t-shirt sale for Environment Week, allowing us to purchase and protect two acres of the Amazon Rainforest.

THE DIFFERENCE

The Difference is a club devoted to encouraging others to be more Christ like in their attitudes and actions. Through special speakers, videos, and topics discussed during weekly meetings, "The Difference" intends to make a difference in a few people's lives, so they can make a difference in others' lives. This club is open to all staff and students.

The Difference would rather not publish the names of our members, because the club is ALWAYS open to new members, and works on a drop in basis like a church.

YEARBOOK

"The yearbook is an exciting experience...", or so the representative said. He forgot to mention painstaking, stressful, frustrating, depressing, etc. But in spite of all the various setbacks during the year, we still finished the book by our deadline. It took a lot of effort (I mean A LOT!) and the staff was excellent, at least those that didn't chicken out and leave never to return again. We only missed a couple of deadlines and even then only by a week or two. Compared to previous years, this book was a great success! (Snickr!!)

Now to give names to all the pretty faces behind the production of this year's book. First there is myself and my co-editor Kurt Armbruster who managed somehow to make some semblance of order in the photographic area. The senior members this year were Susan Coles, whose persistence helped us to keep going and to make our deadlines, Patrick Chan who worked fast and completed many pages (once he found the pictures) and Carla Torgerson whose efforts in the first semester were outstanding. The junior members were Susan Burgess, Chin Chan, Xiao-Li Cheng, Zandra Lea, and Marie Benbow. These members' contributions were crucial in producing the yearbook.

I have also to thank the various people who made the yearbook possible. Mr. Povaschuk was vital in the improvement of our photographic department as well as lending us the use of his materials and some of his time. Bonny Gausvik, who came to us in the second semester was also helpful in supplying the yearbook with photos. We would also like to thank Mr. Galbraith Mrs. Knudsen, and Mr. Cocks for the use of their slides and photos when we were desperately in need of pictures.

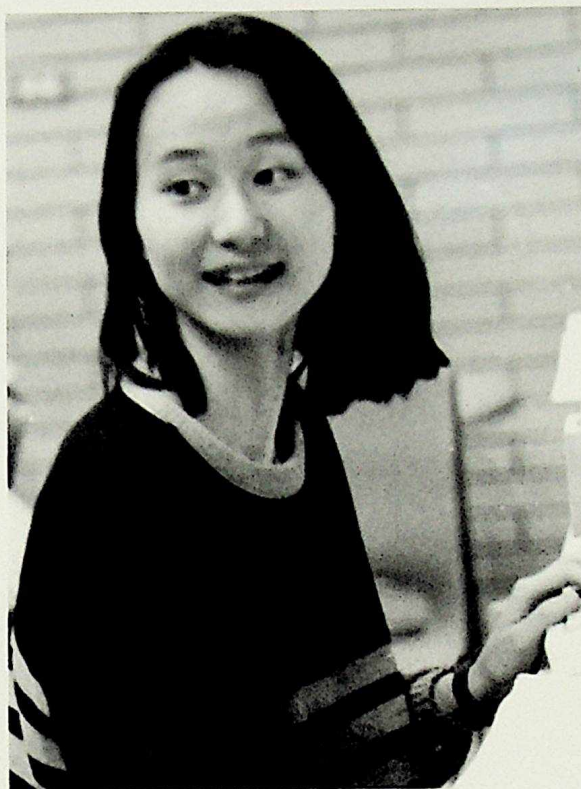

Last, but definitely not least, was our Advisor, Mrs. Deptuck. Her hard work, careful observation and constant support made this yearbook possible. Without her input the book you are holding now would be non-existent.

Thanks to everyone who participated in the yearbook and GOOD LUCK in the future.

Mark Cahoon

GERMAN

STUDENT EXCHANGE PROGRAM

Each year many young adults take on the challenge of spending part of the school year abroad. This year was no exception as families in the community hosted a number of exchange students who attended our school. The students were participating in various programs which gave them the opportunity to learn a new language, discover a new country, achieve a greater international understanding and add a new dimension to their education. Students participated in a three month or a full year exchange. They came from: Belgium, Costa Rica, Finland, France, Germany and Sweden. Having these young people in the school gave many of our students a chance to have more meaningful discussions about international issues and challenges.

EXCHANGE STUDENTS: BACK ROW, L TO R: Robert Wiersbitzki, Germany, Justus Jansen, Germany, Karin Svanholm, Sweden.
FRONT ROW, L TO R: Natalia Esquivel, Costa Rica, Muriel Fabris, Belgium, Sandra Ohls, Finland.

I.B. TRIP

The 20 I.B. German Trip to Germany was the experience of a lifetime.

We went there to study the German language, but we came back knowing the language as well as the history, culture and people of this beautiful nation. We were there for 19 days and we went to many different sites and cities. Some of these included the cities of Cologne, Berlin, Frankfurt, Dortmund, Essen and Hagen, among others. We went to the City of Eisenach (formerly of East Germany) where Luther translated the Bible and also to Castle Altena, in Altena where the first Youth Hostel was established. We also attended two ballets which were very interesting. But the site that sticks out the most in the minds of us travelers was the Cathedral of Cologne. It was an overpowering site considering it has been around since the 13th century! we learned a lot about Germany while we were there, but we also learned a lot about each other and about ourselves (eh Patricia and Rolando!) and we would like to thank Mr. Wurmman (A.K.A. M.C. Wurmman) for giving us the opportunity to go. Thanks!

What a fantastic trip! One solid week of 20 hour days, marathon walks and cultural overload. It was worth every minute - especially missing a week of school. We all managed to buy a \$10.00 Rolex, graze through the street vendors and joywalk without fear of prosecution. Our two Broadway plays, "Phantom of the Opera" and "Les Miserables" were experiences without parallel. The United Nations (where everyone mailed letters), the Empire State Building (visibility 100%), Washington Square and Greenwich Village ("interesting" people), the World Trade Tower (visibility 0%) were some of the sights. We saw the difference between the glitter of Park Avenue in Manhattan and the ghetto atmosphere of Harlem with its burned-out buildings from the protection of a tour bus. A unique experience was a short trip on the subway and a cab ride piloted by a driver who attempted to emulate Indy 500 drivers.

A very special "thank you" to Dr. Mitchner and Mrs. Tuffs who somehow managed to stay up every night to complete the room checks and look after whatever person happened to be sick that day.

David's overall Grade XII academic average of 98.89%, combined with city championship soccer, all star calibre hockey, and involvement in community league, church groups, awards board, grad council, and students' union, made him hard to beat.
